

The Official Journal

*Nova Woodturners Guild Season 9!
Wednesday November 12, 2003*

The third meeting of our ninth season will be **Wednesday November 12 at Busy Bee Tools in Burnside, Dartmouth, at 7:00 pm.**

November Meeting

Different Location, Date, and Start Time

As planned, the NWG will hold it's next monthly meeting on **Wednesday, Nov. 12th at Busy Bee Machine Tools Inc .** (133 Ilsley Ave., Burnside Industrial Park - Dartmouth, NS). The meeting itself will start at 6:30 and will be very short, followed by a turning and tool demonstration by **Mr. Chris Pouncy of the Sorby Tools Company.** Mr. Pouncy is the same demonstrator we met last year, and I am sure all those who seen his presentation would agree the demo. was informative as well as entertaining. Note: **Bill** will have a few chairs available; however you are welcomed to bring your own if you wish.

October Meeting

Special thanks to Bob Hamilton, who lead a turning demonstration and discussion on Christmas themed items.

Monthly Wood Lottery: Special thanks to **Doug McGuire** and **Gary Stronach** for bringing in items for our Wood Lottery which raised a total of \$38.00 for the guild's operations.

Risk Management: Special thanks to **Robert Atkinson** for looking into the possibility of the NWG needing liability insurance for it's Officers & Directors in effort to manage the risks of the guild. **Jamie Wolverton**, Guild President reported to the membership that at this time it was felt that such insurance was not required, but rather the following steps would be taken to manage our risks;

- #1) Demonstrators will be expected to wear eye protection and assume the same level of safety if they were in their own shop.
- #2) Guild members are encouraged to wear eye protection when ever they are witness to a demonstration which is part of a guild meeting or has been organized by the guild.

#3) All members will be required to renew the guild waiver which is part of the membership application form.

Show & Tell : This aspect of the meeting continues to be very interesting and the pieces at our Oct. meeting certainly did not disappoint. Several very nice pieces were brought in by **Warman Castle, Stuart Taylor, Bob Hamilton,**

Darrel Eisner, Don Moore, and Jamie Wolverton. Special thanks to all those who brought in pieces and gave us a description of their turnings.

2003 Atlantic Woodworking Show Turning Competition : The NWG is pleased to invite entries for this competition which will run in conjunction with the Atlantic Woodworking Show scheduled for Nov. 14 -16. The competition categories consist of;

1) **Novice** ~ Including turners never having won a prize in an open competition previously (Club competition results do not disqualify turners from the novice category),

2) **Open** ~ Open to all woodturners

Note: Prizes are awarded for 1st, 2nd, & 3rd place in each category.

Entry forms are available at **Busy Bee Tools** or contact any member of the NWG Executive Committee.

NWG Booth - Atlantic Woodworking

Show : As announced during our October meeting, the Guild will once again operate a booth at the Atlantic Woodworking Show scheduled for Nov. 14, 15, & 16. Special thanks to those guild members who volunteered to supervise the NWG booth. As you will see we still need a few more volunteers, so please contact **Jamie Wolverton** at 832-5111 if you are interested. Note: All NWG members who supervise the booth have free access to the show prior to and following their identified time slot.

Day	Time	Volunteer#1	Volunteer#2
Friday	10:00-12:00	Gary Stronach	Bob Hamilton
Friday	12:00-03:00	Warman Castle	Doug McGuire
