Nova Woodturners Guild
Season 11! Monday December 12, 2005

The fourth meeting of our eleventh season will be at **Lee Valley** in Bayers Lake in their seminar room on December 12, from 6:30 to 8:30. Note date and place changes!!!!

December Meeting

DThe December meeting will be graciously hosted by **Lee Valley** in Bayers Lake in their seminar room on December 12, from 6:30 to 8:30. **Dave Wilkins**, a fellow NWG member and Lee Valley employee will be putting on a demonstration of woodturning tools for beginner and intermediate turner's. So I am sure there will be lots to hold the interest of all who attend. Please note the change in time from our normal in order to accommodate Lee Valley's availability.(It also gives us a half hour to add to the wish list or make some purchases.) Lee Valley has assured me that during the presentation they will have personnel standing by to take orders and have them processed by the end of the meeting . (**Cecil Canam**)

The woodturning competition has been renamed the **Warman Castle Memorial Cup**, and will be presented by **Sarah Castle**, his wife, to the winner of this competition.

This year the number of entries was up, which was great, also the number of displayed items was up. Much thanks goes out to all who helped out in any way, by bringing out a piece to display or to enter, and to all of the people who helped man (or woman) the booth all throughout the weekend.. Without this help we would not be able to have a display let alone a competition at all, so again thanks to everyone.

We also owe a lot of thanks to the show promoters, without their very generous support of donating the space, tables, electricity, drapes, and then to top it all off they also gave a very nice \$500 cash prize for the competition. So thank you very much Bill and Kathy, when you see them at next years show make sure to say thanks.

All the judging forms will be given back at the next meeting, along with prizes at Lee Valley.

November Meeting

N

We discussed manning booths at the woodshow..

Afterwards, there was a long show and tell.

Darrell Eisner brought an American Flag pen, with stars and stripes.

Library News

LAs advertised last month, **Gordon Marshall** is now handling the books and video tapes for the library, and **Jim Diamond** is handling the magazines, catalogs and tools. Speaking of tools, thanks to **David Wilkins**, who added a 25mm toolpost for our bowl saver. And thanks to **Bob Hamilton** for donating a copy of "Woodturning" magazine.

I have heard zero (0) comments about whether people wish to continue receiving "The Woodworker", which replaced "The Woodturner". If this lack of enthusiasm continues, I will probably forget to renew our subscription. "Speak now or forever hold your peace."

Here are the people who have magazines overdue (except as otherwise noted). As usual, if you wonder what you have out, feel free to call me (**Jim Diamond**) at 469-8838.
