Nova Woodturners Guild
Season 14! Monday January 12 & 19, 2008

The fifth and sixth meetings of our fourteenth season will be at the Upstairs Classroom of the NSCC, 785 Leeds Street, Halifax NS, at 7:00 pm, on Monday January 12 and 19 (Note: two meetings this month!)

January 12 Meeting HAPPY NEW YEAR TO EVERYONE. As a new year starts we are trying something new, trying to get in a make up meeting.

This to make up for our December meeting that we had to cancel because of the weather conditions on that day. As the topic of the meeting, "Finishing" was one that a lot of us were very much looking forward to, we have decided to try to squeeze in two meetings into January this year.

Kevin Hurst of Lee Valley has agreed to be our guest speaker. Those of you who have had a chance to hear Kevin speak in the past can attest that Kevin has a vast amount of knowledge on the subject, and those who have not yet heard him you are in for a real treat.

As was the case for the scheduled Dec. meeting we will again be up stairs in the classroom.

Thanks, **Bill**.

January 19 Meeting will be about the **Lee Valley Woodturning show**, how to package your work for the show, label it, and so on. This will be held in the

same classroom as the previous meeting.

December Meeting was Cancelled due to bad weather.

November Meeting **Don Moore** demonstrated making Christmas ornaments.

Bottle Stoppers – We received an ad for stainless steel bottlestoppers, as used in winestoppers and similar woodturning projects, that are made in Canada. Contact <http://www.dfi-stainless-steel.com>
