

# The Official Journal Nova Woodturners Guild Season 14! Saturday February 7, 2009

The seventh meeting of our fourteenth season will be at Lee Valley, Bayers Lake, on **Saturday February 7, at 1:00** . Note change of date and time.

**F**ebbruary 7 Meeting - Our next meeting is going to be held at **Lee Valley on Saturday February 7, from 1 to 4**, this is to coincide with the presentation of awards, and prizes for this years turning competition.

I have been in to **Lee Valley**, and looked at the display that has been set up there, and the quality of the entries just keeps getting better, and better.

**Well Done.** To the 4 members of the competition committee, **THANK YOU** . For those of you who do not realize what a huge job that this is, and how important that it is, well put it this way there would not be a competition with out them. So when you see **Don Moore, Robert Atkinson, Dan Graham, and Dave Paul** make sure to say thanks.

I would ask each and everyone of you to check out the list of **overdue Library books**, dvd's, and tools to see if your name appears if it does either see Jim or Gordon at the next meeting, or drop them a email, the Library is there for all of the members to use, if someone does not return an item then none of the other members can use it.

Also the other thing that we as a guild need to do is to thank the sponsors of the competition.

Starting with **Lee Valley**, they not only give us the use of their staff, store, display show cases, but they also give gift cert. for the winners. In the next newsletter there will be a complete list of all of the sponsors, and the prizes. But for now here is a list of some of the sponsors. **Lee Valley- Busy Bee- Sia- Halifax Hardwood Specialties- King Canada-R and D Bandsaws- Graham McCulloch- John Todd.** With out them there would no competition also.

See you at Lee Valley  
Bill

**J**anuary 12 Meeting There was a sellout crowd for the talk by Kevin Hurst of Lee Valley.

**J**anuary 19 Meeting was cancelled due to snow and rescheduled on the 21st. We talked about the **Lee Valley Woodturning show**, how to package your work for the show, and how judges will evaluate your work, how to describe your intent and how to define your work. To demonstrate some judging conundrums, Don Moore showed the above, which would be called a spindle turning.

**S**how and Tell : members at both meetings showed some new work. Dave Wilkins showed works he has done with offcenter turning:

Bill Starnes >>>

Ian Scott >>>

A vistor from Chester (below)

Dave Richards, with one of several turned tables he made for Christmas presents: >>>

<<<Ring turning by Stuart Taylor

Christmas ornaments by  
Dan Graham (and below)

This bowl by Don Moore is a spindle turning. The wood is horsechestnut (?) and was soft and hard to finish.

## Library Outstanding Books, DVD's, Tapes as of January 27, 2009

Bruce Moore, 1  
Dan Macintosh, 1  
Dan Graham, 1
